Profile

Experienced Web Developer adept in all stages of advanced web development. Knowledgeable in user interface, testing, and debugging processes. Bringing forth expertise in design, installation, testing and maintenance of web systems. Equipped with a diverse and promising skill set. Able to effectively self-manage during independent projects, as well as collaborate in a team setting.

Courses

Fullstack Open, *University of Helsinki* [↗](#)

The Fullstack Open course goes through the basics of full-stack development with ReactJS, NodeJS, ExpressJS, and MongoDB. The course also covers deployment and TDD. Other parts of the course also go through GraphQL, TypeScript, and React Native which I have also completed.

Certificates

- FullStack Open [↗](#)
